

Connect Consulting

About Connect Consulting

Connect Consulting is a specialist consultancy, established in 1993, that works with human service agencies to develop the strategy, service design, structure, workforce and practice that supports agencies to deliver excellent outcomes to and with their communities. Connect Consulting provides services in agency capacity building, change management, leadership, conflict management, planning and evaluation, coaching, policy and social welfare practice issues.

Connect Consulting has undertaken projects with homelessness agencies since 1993 and has provided consultancy services to agencies and partnerships focused on working with young people, women, men, those leaving prison, women escaping domestic violence as well as generalist services. We work from a culturally inclusive frame and have experience in working well with CALD and Aboriginal agencies.

Connect Consulting has access to a pool of highly skilled and experienced consultants whom we work with regularly.
